COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, FEBRUARY 14, 2003

APPLICATION OF

AT&T BROADBAND PHONE OF VIRGINIA, INC.

CASE NO. PUC-2003-00006

To cancel existing certificates of public convenience and necessity to provide local exchange and interexchange telecommunications services and to reissue certificates reflecting the corporate name change

FINAL ORDER

On February 15, 2002, the State Corporation Commission ("Commission") entered an Order in Case No. PUC-2002-00007, which granted AT&T Broadband Phone of Virginia, Inc ("AT&T Broadband Phone" or the "Company"), a certificate of public convenience and necessary, No. TT-30C, to provide interexchange telecommunications services subject to the restrictions set forth in the Commission's Rules Governing the Certification of Interexchange Carriers (as codified in 20 VAC 5-411-10 et seq.), § 56-265.4:4 of the Code of Virginia, and provisions of the February 15, 2002, Order. In the same Order, the Commission granted AT&T Broadband Phone a certificate of public convenience and necessity, No. T-371b, to provide local exchange telecommunications services subject to the restrictions set

forth in the Rules Governing the Offering of Competitive Local Exchange Telephone Service (as codified in 20 VAC 5-400-180), § 56-265.4:4 of the Code of Virginia, and the provisions of the February 15, 2002, Order.

On January 15, 2003, AT&T Broadband Phone notified the Commission that it intends to effectuate its change of name to Comcast Phone of Virginia, Inc. d/b/a Comcast Digital Phone. It noted that all other information regarding the Company remained unchanged.

In its notice, AT&T Broadband Phone recited that it had filed Articles of Amendment with the Commission to change its name from AT&T Broadband Phone to Comcast Phone of Virginia, Inc., and that on November 19, 2002, the Commission issued a Certificate of Amendment changing its corporate name to Comcast Phone of Virginia, Inc. Although AT&T Broadband Phone failed to request the cancellation of certificates issued in its name and the reissuance of certificates reflecting its new name, we take notice that this should be done.

NOW, UPON CONSIDERATION of the foregoing, the Commission is of the opinion and finds that certificates of public convenience and necessity Nos. TT-30C and T-371b, issued to AT&T Broadband Phone, should be cancelled; and certificates of public convenience and necessity should be reissued to Comcast Phone of

Virginia, Inc., reflecting the new name of that corporation, Comcast Phone of Virginia, Inc.

Accordingly, IT IS THEREFORE ORDERED THAT:

(1) This matter is hereby docketed and assigned Case No. PUC-2003-00006.

(2) Certificate of public convenience and necessity, No. TT-30C, issued to AT&T Broadband Phone is hereby cancelled.

(3) Certificate of public convenience and necessity, No. TT-30D, is hereby issued to Comcast Phone of Virginia, Inc., authorizing it to provide interexchange telecommunications services, subject to the restrictions set forth in the Commission's Rules Governing the Certification of Interexchange Carriers (codified in 20 VAC 5-411-10 et seq.), § 56-265.4:4 of the Code of Virginia, and the provisions previously set out in the Commission's February 15, 2002, Final Order entered in Case No. PUC-2002-00007.

(4) Certificate of public convenience and necessity, No. T-371b, issued to AT&T Broadband Phone is hereby cancelled.

(5) Certificate of public convenience and necessity, No. T-371c, is hereby issued to Comcast Phone of Virginia, Inc., authorizing it to provide local exchange telecommunications services, subject to the restrictions set forth in the Commission's Rules Governing the Offering of Competitive Local Exchange Telephone Service (codified in 20 VAC 5-400-180), § 56-

265.4:4 of the Code of Virginia, and the provisions previously set out in the Commission's February 15, 2002, Final Order entered in Case No. PUC-2002-00007.

(6) Comcast Phone of Virginia, Inc., shall file revised tariffs no later than sixty (60) days from the date of this Order with the Commission's Division of Communications that conform with all applicable Commission rules and regulations and which use Comcast Phone of Virginia, Inc.'s name rather than that of AT&T Broadband Phone.

(7) There being nothing further to be done in this matter, this case shall be removed from the Commission's docket of active proceedings and the papers filed herein placed in the Commission's file for ended causes.
